

Teaching Tip of the Week

12/9/96

Check back Mondays for the latest!

Christmas Memory Verse Token

With Christmas around the corner, why not send something home with the children to decorate the tree with *and* help them remember their memory verse? All you'll need is some wire, contact paper, a hole punch, pens and crayons or markers, and paper or (perhaps better) card stock.

Cut the paper or card stock out into the shape of a Christmas ornament and have the childre write the verse on it and decorate it. Covering it with contact paper can add stiffness and protect the ornament. Punch a hole near the top, twist a short piece of wire into a hanger and...*presto!* A take-home memory verse token/Christmas ornament for the tree or window.

(And you can be sure it will get a prominent place on the tree.)
